

November 17, 2011 MEETING ATTENDEES, CEU Credits = 0.5

TOPIC: Presentation providing an update on the \$287M design build construction of a new I90 WB bridge over the Cuyahoga River. ODOT is a little over 1 year into this 3 year project, the largest project in ODOT's history and the first using value-based design build.

SPEAKER: Mr. Craig Hebebrand, PE - Ohio Department of Transportation - District 12
