ASHE Lake Erie Section

Dear Colleagues:

I hope this finds you healthy, enjoying spring and in good spirits!

As I complete my second year as the ASHE Lake Erie President, I have really enjoyed the experience, but it has been a lot different than I thought! My hope is we have turned the corner and are moving back towards 'normal'.

With that in mind, the Board of Directors will be meeting this June to discuss the fall program, and a plan to start holding meetings in person. I would like to consider previous presenters and scholarship winners we could bring back in - to hand out awards and congratulate in person. It would be delightful to be in person again.

As the State rolls out updates, we will be following these and CDC guidelines for future meetings. If needed, we continue in the virtual space – we are not risking the safety and well being of our membership.

I am encouraged by the enthusiasm and understanding of folks, and want to thank our Officers and Board Members for their flexibility and patience over the last several months.

Please stay safe, keep your spirits up, and thank you for your continued support.

Sincerely,

Sean Milroy, PE, PMP, DBIA
ASHE Lake Erie President
