Obligation of an Engineer

I am an Engineer. In my profession I take deep pride. To it I owe solemn obligations.

As an Engineer, I pledge to practice integrity and fair dealing, tolerance and respect; and to uphold devotion to the standards and the dignity of my profession, conscious always that my skill carries with it the obligation to serve humanity by making the best use of the Earth's precious wealth.

As an Engineer, I shall participate in none but honest enterprises. When needed, my skill and knowledge shall be given without reservation for the public good. In the performance of duty and in fidelity to my profession, I shall give my utmost.

COVID-19: By attending our event, you are confirming that you have completed a health self-assessment and do not have a current COVID-19 diagnosis or symptoms and have not been in close contact with someone who has. The CDC continues to recommend wearing masks when gathered in large groups or to protect yourself or others from suspected COVID-19 conditions. Each participant is therefore encouraged to consider their own personal risk, or risk posed to others, and wear a mask as they determine prudent. While your safety is a priority, we do not expect that social distancing will always be maintained.
