- h. Submit entry on CD or Flash Drive to: Chris Preto, Chagrin Valley Engineering, 22999 Forbes Road Suite B, Cleveland, OH 44146, **OR** email to preto@cvelimited.com

IV. Award

- a. Awards will be provided in two categories:
 - i. Construction costs up to \$10,000,000
 - ii. Construction costs exceeding \$10,000,000
- b. Awards will be presented to one representative each - owner, designer and prime contractor.
- c. Three matching awards with the name of project will be provided by ASHE Lake Erie Section to the owner, designer and contractor. Any additional awards desired (exceeding the three provided) by the winning project team can be purchased from the ASHE Lake Erie Section for an additional fee.
- d. Free meal for 1 representative from owner, designer, and contractor at awards meeting.
- e. Winning entries will be invited to make a presentation of their project at the awards meeting.
- f. Announcement of award and profile of the project will be published on ASHE Lake Erie Section website.
- g. Winning entries will be eligible for the ASHE Great Lakes Region Project of the Year Award. Entry fees will be paid for by ASHE Lake Erie Section.
- h. The over \$10M winning entry will be required to author a 500-1,000 word article for publication in the ASHE Scanner magazine. The article will be due within 30 days following the receipt of the award. The under \$10M winning entry will only submit an article if there is no over \$10M winning entry.

V. Judging

- a. Entries will be judged on the following subcategories:
 - i. Importance to the traveling public
 - ii. Complexity
 - iii. Innovation and unique features
 - iv. Aesthetics and sustainable features
- b. Each subcategory will be rated from 0 to 25 with 25 being the best score.
- c. The winner will be determined based on the total combined number of points from all judges.
- d. The judging panel reserves the right not to award for a construction dollar category if the highest score does not exceed 70.
- e. The judging panel will be comprised of five (5) members of the Lake Erie Section not associated with the project.
